FLORYS E. SMITH,

District Treasurer.

Report of Superintendent of Schools

To the Citizens of Strafford:

The past year has seen the nation united for the purpose of National Recovery. In conformity to the President's "plan to raise wages and create greater purchasing power," the District should take steps to restore to their normal level the salaries of the district officers and teachers. With the consolidation of Perkins School with the Center, the limit has been reached in this direction, unless indeed the District would wish to consider the combination of its three one-room schools in one central building, which would have many advantages.

Miss Carrie Cooper accepted a position in the schools of Rochester, and Mrs. Young was transferred to Crown Point. The enrollment is as follows:

Center	Mrs. Irene H. Scribner,	17
Bow Lake	Mrs. Shirla B. Smith,	31
Crown Point	Mrs. Edna L. Young,	32
Total,		80

This is a 10% increase over last year.

The School Board devoted one day to visiting the schools in a body (unannounced) and observing the work carried on.

Austin-Cate Academy, under the leadership of Headmaster Cummings and the Board of Trustees, made a splendid recovery from the severe blow sustained when the main school building was destroyed by fire. The present building is attractive on the exterior and commodious within. Thirty-four Strafford pupils are enrolled.

All three of our schools are now equipped with playground apparatus. The problem of a convenient water supply is engaging the attention of the School Board and may be a subject for later action by the District.

In regard to necessity of public education, Secretary of the Interior Ickes says, "The individual American must be educated not only that he may be able to enjoy a happier and fuller life; he must be educated in order that, in co-operation with other educated Americans, he may do his part toward sustaining and upbuilding an intelligent and beneficent and capable government."

Respectfully submitted,

CHESTER W. DOE,
Superintendent of Schools.
